Area: 568 m2

## Dual Living Beachfront with Stunning Views

Located in one of the most elevated parts of Pacific Blvd, this home offers knockout views from the bush to the beach and everything in between. The largely original home offers 4 bedrooms, 2 bathrooms and importantly 3 separate living area's with the unique ability for genuine dual living. The upper floor is a wonderful, open space that lets light in and gives you perfect views of the surf as well as the Glasshouse mountain ranges, Buderim, the Mooloolaba Skyline and even Mt Cooloom. Without doubt one of the best locations available, be quick and be set for life.
