Best value on the Water!!

With all of the renovation done for you, this fantastic home is without doubt the best value waterfront on the market today. With 3 massive bedrooms, 2 stylish bathrooms and a huge open plan kitchen/living area taking advantage of the desired Northern aspect, you'll enjoy the views all year round. There's also a brand new solar system that will put money back into your pocket which is certainly a pleasant bonus. It is a wonderful, quite place to spend your days and if your idea of boating is humble, this is the perfect place for you as all of the work has been done. Call today to arrange your inspection.
