

PRICE GUIDE: \$560,000.00

Area: 199 m2

Ground Floor with huge private terrace

Birtinya is booming and it's not hard to see why. With so much infrastructure going in there soon follows amenities such as parks, shops, cafe's and sports precincts. Regatta was one of the pioneers in the area and remains one of the standout developments with plenty of green space and it's lakefront location.

Unit 32 is conveniently located on the ground floor so you have easy access and uniquely has a huge, wrap around private terrace which enables you to have pets, outdoor lounges, vegetable gardens or safe storage for your kayaks.

The 3 bedroom layout offers great views over the lake from the open plan kitchen/living room as well as from the master bedroom which has it's own ensuite. The kitchen is well appointed and has stone benchtops and Kleenmaid appliances and plenty of storage space.
