Renovated and Central

What a gem this one is! If you're buying on Buderim, this is where you need to be. A quiet little complex, low body corporate fee's and a flat, leafy walk into the centre of Buderim. The complex is at the end of a cul de sac and has plenty of open green space and even a maintained pool with cabana and it is all beautifully manicured and maintained and still offers low annual fee's to the owners.

The 2 bedroom unit is wonderfully styled and benefits from a recent renovation which upgraded the kitchen, bathroom, fresh tiles and paint throughout and even has 2 air conditioning units. The outlook from the covered patio is lovely and lush and there's crimsafe screens for peace of mind too.

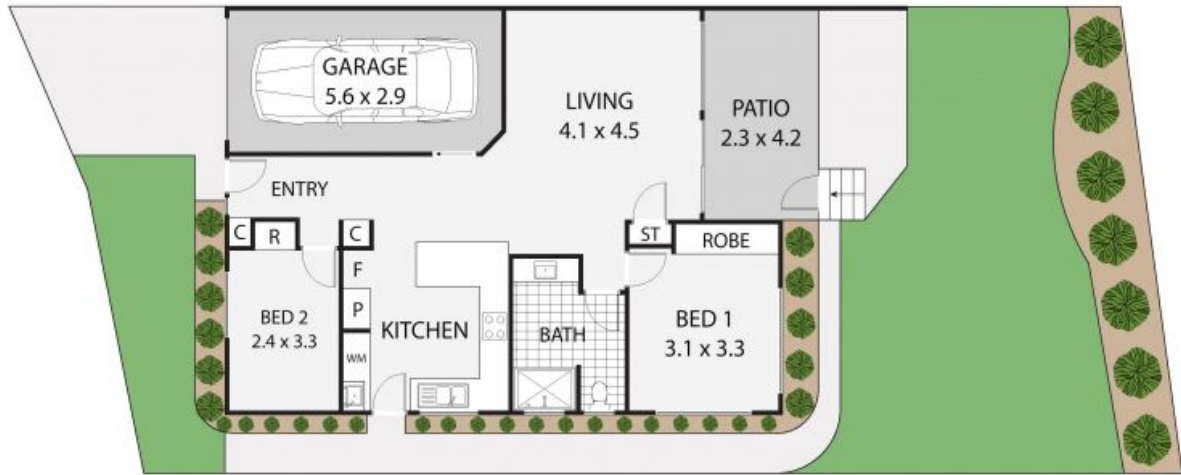

This is certainly a very complete package and will make an easy investment decision for you
